**YOU ARE INVITED TO JOIN US AS WE FOCUS ON THE COUNTRY OF
BURUNDI!**

THE REPUBLIC OF BURUNDI is an African country bordered by Rwanda, Congo, Tanzania and Lake Tanganyika. The country has suffered from warfare, corruption, poor access to education and the effects of HIV/AIDS. One of the five poorest countries in the world it suffered through two “genocides” between 1962-1993, with an estimated 250,000 people killed. Last year the central market burned to the ground bringing even more challenges to this country of almost 9 million people.

THE INVITATION - Pastor Jeremie Ndayishimiye, of New Life Church in Bujumbura, the capital city, has invited us to bring a high profile multi-national soccer/football team to play a series of matches in 2014 - to help create an awareness of the needs of Burundi, to promote RECONCILIATION within Burundi, and assist in developing multiple ministries, including sports ministries.

SURGE INTERNATIONAL - founded in 1992 Surge staff and players have now helped develop projects for ministries in over 50 countries. We are currently working in Austria, Bolivia, Kosovo, Mexico, Peru, Ukraine, USA. www.surgesoccer.org
