🙏 We reached our goal! With your prayers and financial support special year end giving was \$10,850. \$850 more than our goal. And \$5,250 more than in December of 2020!

🙏 Invitations and requests continue to come in for assistance and the Lord has opened the doors for us to more forward to Liberia. **February 17-27**. On our website home page [www.surgesoccer.org](http://www.surgesoccer.org) you can learn more about this new project that will include:

*evangelism, discipleship, biblical teaching, developing education, sports ministry & soccer coaches training*

And a vision appeared to Paul in the night: a man of Macedonia was standing there, urging him and saying, "Come over to Macedonia and **help us.**" Acts 16:9

🙏 We seek opportunities to serve others. We develop new projects for other ministries. We enhance existing projects for other ministries. We keep it simple, try not to "overthink it," and we stand ready at a moments notice to GO, to surge forward when asked for **help.** 🙏

#### Coaches Convention

🙏 January 19-22 myself and three co-authors (Wayne, David & Bill) will attend the National Soccer Coaches Convention in Kansas City. It will be an intensive time of working on the SPORTS MINISTRY textbook the Lord has given us to write. Think about how God works! A secular textbook publishing company is publishing the book for use in Christian Universities. I am heading up these chapters: *A Working Definition of Sports Ministry; Sports Ministry and Cultural Considerations; Para Church Sports Ministry Organizations; Leadership and the Future of Sports Ministry.*

#### Ecuador

We continue to work with Cross Creation Sports Academy by WhatsApp and have began online training for Youth 4 Christ Ecuador to help them design their soccer program and coaches training.
