News from the field...

Surge Soccer Liberia (SSL) made their first school appearance of the year this month at Malavelly Blessed Kids Foundation School. 330 children Kindergarten – 3rd grade, 12 teachers.

We are focusing on three areas for this calendar school year. The three areas are:

1. Sammy Surge School Outreach program that focuses on: *Study Hard*Play Fair*Help Others
2. Sammy Surge Fair Play Soccer Tournament for schools
3. Sammy Surge Story Writing Competition with schools

SSL has also launched the Generosity Training Program. Our Generosity is all about teaching Christians to develop the desire to give their gifts, talent time and resources to another person without expecting to receive a payback. Many Christians give expecting something in return. We also share Sammy Surge’s third principle – “Help Others.” www.SammySurge.com
