On behalf of the entire Surge Liberia team, we appreciate the continued support from Surge International Board and all those who are helping to make our work in Liberia a success that God's kingdom will be glorified.

We are very excited to share with you the successful graduation of Lovetee and Lucinta, who graduated with an AA degree respectively in Business Administration and Public Health.

We look forward to our upcoming activities, the Sammy surge school vacation program, and the Dortmund program, the training of coaches, administrators and officials of the National County Meet.

May God bless us all.

Thanks.

Surge Liberia
